

A LEADING POLYTECHNIC
COMMITTED TO STUDENT SUCCESS

Please create a **NAIT Community Involvement Resume** which clearly provides all of the information outlined below. You may format it however you choose.

Once you have created your resume, upload it to your NAIT Scholarship and Bursary application for each award requiring it.

For each activity, provide the following information.

Do not include any activity that is more than three years old.

- 1.) The name of the organization/group/club/event
- 2.) The start date(s) and end date(s) of your participation
- 3.) The total number of hours of your participation
- 4.) The name of your role, and a short description of your participation
- 5.) If you demonstrated leadership in your role, please describe how (see definition of leadership below).

Community Involvement at NAIT

List the activities that you have participated in as a NAIT student and which involved the NAIT community. For example: volunteering at events sponsored by your NAIT program or NAITSA, participating in NAIT student club activities, or participating in NAIT sports/recreation teams.

Community Involvement outside of NAIT

List the activities that you have participated in outside of NAIT. For example: participating in community group/association activities, sports/recreation team events, or volunteering with a service, religious or political group.

Leadership

List the leadership activities in which you have participated.

Leadership is about taking initiative to meaningfully impact those around you. It is more than just donating your time. It is about using your motivation and empathy to achieve the goal of helping others.
